

## Welder Supplemental

### Company Information

1. Company Name: \_\_\_\_\_
2. Website Address: \_\_\_\_\_
3. Years in Business: \_\_\_\_\_
4. Years in Trade: \_\_\_\_\_
5. Number of employees: \_\_\_\_\_
6. Explain welding operations in detail: \_\_\_\_\_  
\_\_\_\_\_

### General Information

7. Any structural welding over 3 stories? Yes No
9. Maximum height exposure: \_\_\_\_\_
10. Any Metal Erection? Yes No
11. Any Fabrication of Products? Yes No  
If yes, what is fabricated? \_\_\_\_\_
12. Percentage of welding/cutting done in welding shop or off premises:  
In Shop: \_\_\_\_\_ Off Premises \_\_\_\_\_
13. Any work subcontracted? Yes No  
If yes, describe work subcontracted: \_\_\_\_\_
14. Are Certificates of Insurance (with Limits of Liability at least equal to Limits requested on this policy) received on all subcontractors? Yes No
15. Does Applicant primarily do new projects or repair work? \_\_\_\_\_
16. Please indicate work done on the following types of risks:
  - a. Bridges Yes No
  - b. Aircraft Hangars Yes No
  - c. Storage Tanks Yes No
  - d. Risks with Flammable Liquids or Vapors Yes No
  - e. Risks with Potential Dust Explosives Yes No
  - f. Other (please describe) \_\_\_\_\_
17. Is the welding Electric or Oxy-Acetylene? \_\_\_\_\_
18. Is the welding unit truck mounted or portable? \_\_\_\_\_

### Safety Information

19. A) Does the applicant pre-determine the flammability of contents in a building that is being worked on? \_\_\_\_\_

B) Does the applicant clear as much combustible material as possible from the building prior to starting the operations? \_\_\_\_\_

20. Loss Control Procedures

- |    |   |     |    |
|----|---|-----|----|
| a. | Are signs posted to indicated welding in going on?                                      | Yes | No |
| b. | Are all spectators cleared from the welding area to prevent injury?                     | Yes | No |
| c. | Are barriers put up around worksite to prevent bystanders from wandering onto worksite? | Yes | No |
| d. | Are screens put up at worksite to prevent ultraviolet radiation from straying?          | Yes | No |
| e. | Does applicant ever turn off a client's sprinkler system in order to perform hot work?  | Yes | No |
| f. | What safety procedures are followed under these circumstances?                          |     |    |

\_\_\_\_\_

21. Does Applicant always carry a portable extinguisher to worksite in case the client's extinguishers are inadequate? Yes No

22. Does the Applicant ensure that a fire watcher is at the worksite for 30 minutes after process has been completed? Yes No

23. If welding is done on a pipeline, is that portion of the line where work is being performed shut down? Yes No

If no, please explain \_\_\_\_\_

24. If welding is done on storage tanks, are the tanks empty? Yes No

If no, what is the capacity of the tank(s)? Explain: \_\_\_\_\_

25. Are any employees learning welding/cutting "on the job" rather than going through an appropriate training program? Please describe: \_\_\_\_\_

26. Are new employees allowed to weld without a supervisor? Yes No

If yes, please explain: \_\_\_\_\_
